

In moving more towards adulthood, everyone needs social friendship opportunities.

OHEYS is offering 1-1 Get-Togethers events for teens to young adults with autism who require 1-1 coach support. Our programs recognize the need for a variety of activity choices and movement opportunities. All programs include modified games. Our goal is to provide a supported group activity where the focus is to be social around others while also engaging in new physical activities. Refreshments and snacks will be provided.

Program Information Jan-Feb-Mar-Apr 2020:

- Runs from **6:30 - 8:00 PM**. **Drop off and Pickup are at the same location.**
